As required by the U.S. Department of Education, the following information is provided regarding stand-alone programs offered at the University that prepare students for “gainful employment in a recognized occupation.” The data is based on graduates of these programs during the period July 1, 2011 through June 30, 2012. The number of on-time completers of the programs and all information on debt load is not reported if fewer than ten graduates are reported during this period.
