Celebrating CDM Faculty Accomplishments

9/1/2017 – 8/31/2018

NOVEMBER 7, 2018

Congratulations to the College of Dental Medicine (CDM) faculty who are being honored for their achievements at today's event, and special thanks to Dr. Lalla for her leadership in support of the faculty.

We are proud to celebrate with those members of our faculty who were promoted and/or recognized for their contributions during the past academic year (2017-2018). While we honor the individual contributions, we are also cognizant of the impact that each honoree makes to the reputation of CDM at-large. It is the strive for excellence that distinguishes Columbia from many other institutions of higher education. Being part of the Columbia community, CDM is aware of the mandate that is imposed on us.

Today's event is intended to support the promotion of a culture whereby we acknowledge and cherish the achievements of our faculty in terms of transformational scholarship, excellence in patient care, and exceptional service contributions. May it inspire all of us to strive for more.

Sincerely,

Christian Stohler, DMD, DrMedDent
